## INSTRUCTION

1. Switch Indicator (located at the bottom):  
ON - Turns the device on  
OFF - Turns the device off  
30 - Activates 30-minute timer mode
2. Instructions for Use:  
Slide the switch to the ON position to turn on the device. The light will start at 30% brightness. Gently tap or pinch the silicone cover to increase the brightness to 60%. Tap again to increase the brightness to 100%. Tap once more to turn the light off.  
When not in use, slide the switch to the OFF position.  
To use the 30-minute timer, slide the switch to the „30” position. The light will automatically turn off after 30 minutes.
